# Town Warrant

---

*To E. C. Hinkley, a constable in the Town of Rangeley, in the County of Franklin,*

GREETING:

In the name of the State of Maine you are hereby required to notify and warn the inhabitants of the said town of Rangeley, qualified by law to vote in the town affairs, to meet at Oakes & Badger's Hall in said town, on the fourth day of March, A. D. 1935, at ten o'clock in the forenoon, to vote upon the following articles, to wit:

## ARTICLE 1

To choose a moderator to preside at said meeting.

## ARTICLE 2

To choose a town clerk for the ensuing year.

## ARTICLE 3

To hear reports of town officers and take action thereon.

## ARTICLE 4

To choose all other town officers for the ensuing year.

## ARTICLE 5

To see if the town will vote to instruct the Selectmen to hire money in anticipation of taxes.

## ARTICLE 6

To see what sum of money the town will vote to raise for the support of a Free High School for the ensuing year.

## ARTICLE 7

To see what sum of money the town will vote to raise for the support of Common Schools for the ensuing year.

ARTICLE 8

To see what sum of money the town will vote to raise for supplies for schools for the ensuing year.

ARTICLE 9

To see what sum of money the town will vote to raise for the purchase of text-books for the ensuing year for schools.

ARTICLE 10

To see what sum of money the town will vote to raise for Home Economics for schools for the ensuing year.

ARTICLE 11

To see what sum of money the town will vote to raise for repairs to school buildings for the ensuing year.

ARTICLE 12

To see what sum of money the town will vote to raise for transportation of High School scholars.

ARTICLE 13

To see what sum of money the town will vote to raise for insurance on school buildings.

ARTICLE 14

To see what sum of money the town will vote to raise to continue the service of the Cooperative Health Union, health officer.

ARTICLE 15

To see what sum of money the town will vote to raise for the services of a County Nurse.

ARTICLE 16

To see what sum of money the town will vote to raise for Medical Inspection of School children.

ARTICLE 17

To see what sum of money the town will vote to raise for repair or replacement of heating and ventilating system at the Elementary School.

## ARTICLE 18

To see what sum of money the town will vote to raise for the Welfare Account for the support of the poor, for the ensuing year and to cover deficit for 1933 and 1934, and how same shall be expended.

## ARTICLE 19

To see what sum of money the town will vote to raise for Mother's Aid for the ensuing year and to cover deficit for 1934.

## ARTICLE 20

To see what sum of money the town will vote to raise for the repair and maintenance of highways for the ensuing year.

## ARTICLE 21

To see what sum of money the town will vote to raise for the maintenance of the improved sections of Third Class Highways for the ensuing year.

## ARTICLE 22

To see what sum of money the town will vote to raise for cutting bushes on State, State Aid, Third Class and Town Highways for the ensuing year.

## ARTICLE 23

To see what sum of money the town will vote to raise or appropriate for applying gravel to the streets of Oquossoc and Lake Shore road as far as railroad crossing at F. O. Walker's Garage.

## ARTICLE 24

To see if the town will vote "yes" or "no" on the question of appropriating and raising money necessary to entitle the town to State Aid, as provided in Section 20 of Chapter 28 of the Revised Statutes of 1930.

## ARTICLE 25

To see what sum of money the town will appropriate and raise for the improvement of the section of State Aid road as outlined in the report of the State Highway Commission (in addition to the amounts regularly raised for the care of ways, highways and bridges) under the provisions of Section 18, Chapter 28, Revised Statutes Public Laws of 1933.

## ARTICLE 26

To see what sum, if any, the town will recommend to take from the joint State Aid Account for the purpose of applying Bituminous surface to State Aid roads built within the past five years, in accordance with the provisions of Chapter 271, P. L. 1931.

## ARTICLE 27

To see what sum of money the town will vote to raise for patrol and maintenance for the ensuing year.

## ARTICLE 28

To see what sum of money the town will vote to raise for breaking winter roads for the ensuing year, and to cover deficit for 1934, also to see if the town will vote to purchase snow fence to be used on upper end of Pleasant Street and other necessary places and to raise the money to pay for same.

## ARTICLE 29

To see if the town will vote to establish a price of \$6.50 per hour for the use of the tractor and plow whenever it is used outside the town of Rangeley.

## ARTICLE 30

To see what sum of money the town will vote to raise for the support of the Rangeley Fire Department.

## ARTICLE 31

To see if the town will vote to purchase fire equipment and if so to raise the money for the same.

## ARTICLE 32

To see what sum of money the town will vote to raise for repair of sidewalks for the ensuing year.

## ARTICLE 33

To see if the town will vote to raise or appropriate money necessary to pay one-half of the citizens note on the Mingo road, so called, provided that the State pays one-half of said note.

## ARTICLE 34

To see if the town will vote to employ a night watch, uniformed, during the period of June 15th to September 15th, and if so raise money to pay for the same.

## ARTICLE 35

To see if the town will vote to instruct the Selectmen to hire \$1,000.00 for the completion of that part of the Lake Shore Road, so called, which was partly built three years ago, providing that a railroad crossing can be obtained and providing further that the State does not construct the proposed State Highway which has been surveyed to run parallel with the Lake Shore Road.

## ARTICLE 36

To see if the town will vote to accept the portion of town way extending from the end of the Bald Mountain Road to the lot of Dr. Vogeler as laid by the Selectmen and if so to raise \$500 to pay for building of same.

## ARTICLE 37

To see if the town will vote to accept the town way as laid by the Selectmen beginning at a point on the State Highway opposite the road leading to the State Hatchery at Oquossoc and extending 150 feet west or on Unbagog, so called, as outlined in the Oquossoc town plan and if accepted to raise \$100.00 to build same.

## ARTICLE 38

To see if the town will authorize the Selectmen to hire money not to exceed \$1,300 for the town's part in screening the outlet of Rangeley Lake.

## ARTICLE 39

To see if the town will vote to accept the town way as laid by Selectmen for a new entrance to the Dodge Pond road, and if so to raise money to build same.

## ARTICLE 40

To see if the town will vote to put tarvia surface on the improved section of the Quimby Pond road and Dodge Pond road and if so to raise money for same.

## ARTICLE 41

To see if the town will vote to raise the sum of \$2,500.00 to pay the Town Bond which falls due July 1st, 1935.

ARTICLE 42

To see what sum of money the town will vote to raise to pay interest on town bonds, temporary loans and outstanding notes for the ensuing year.

ARTICLE 43

To see if the town will vote to pay a note of \$1,026.00, same being balance due on the note given to complete the Mingo Road, so called, and if so to raise or appropriate money for the same.

ARTICLE 44

To see if the town will vote to construct cement sidewalk on Main Street in Rangeley Village, and if so how many feet, where same shall be built, and raise the money for the same.

ARTICLE 45

To see what sum of money the town will vote to raise for the Library Association for the ensuing year.

ARTICLE 46

To see if the town will vote to pay a discount on taxes and if so how much, and how much money will be raised to pay discount, also to see if the town will vote to collect interest on unpaid taxes after October 1st, 1935.

ARTICLE 47

To see if the town will vote to install a hydrant near residence of Virgil Lamb.

ARTICLE 48

To see how much money the town will vote to raise to pay the Rangeley Water Company for the use of water and hydrants for the ensuing year.

ARTICLE 49

To see if the town will vote to install street light on upper Pleasant Street near Alton Anderson residence.

ARTICLE 50

To see how much money the town will vote to pay the Oquossoc Light and Power Company for road and bridge lights, also for municipal purposes for the ensuing year.

ARTICLE 51

To see how much money the town will vote to raise to pay abatement of taxes for the ensuing year.

ARTICLE 52

To see how much money the town will vote to raise to pay Town Officers for the ensuing year.

ARTICLE 53

To see what sum of money the town will vote to raise to pay for the care and improvement of the following cemeteries in town: Village, Nile, White Schoolhouse, so called.

ARTICLE 54

To see if the town will vote to raise the sum of \$1,500.00 for advertising the Rangeley Lakes Region for the season of 1935, said sum to be expended by the Rangeley Lakes Publicity Association.

ARTICLE 55

To see if the town will vote to raise not exceeding \$500.00 for the transportation and distribution of fish in the Rangeley Lakes region under the supervision of the Rangeley Lakes Region Guides Association.

ARTICLE 56

To see if the town will vote to raise money for the installation and maintenance of public toilets in Rangeley Village.

ARTICLE 57

To see if the town will vote to raise money to pay for the loans made which were authorized in special town meetings in 1934 for the purchase of additional land at the landing field, for the payment of night watch, for the payment of the town's allocation of the E. R. A. projects, for the purchase of and installment of culvert near Catholic Church, for money turned over to the Publicity Association for the Water Carnival.

ARTICLE 58

To see if the town will vote to raise money to repair and apply bituminous surface to the Bonney Point road, so called.

ARTICLE 59

To see if the town will vote to raise \$504.00 to pay overdraft and amounts necessary for town to allocate in order to get approval of E. R. A. projects.

ARTICLE 60

To see if the town will vote to instruct the Selectmen to hire money not to exceed \$1,000.00 to take care of future E. R. A. projects.

ARTICLE 61

To see if the town will vote to buy a motor fire truck and pumper and if so to raise money for the same.

ARTICLE 62

To see if the town will vote to raise \$150.00 to pay Rangeley Carnival Association for band service, 1935.

ARTICLE 63

To see what sum of money the town will vote to raise for airport maintenance.

ARTICLE 64

To see if the town will vote to build a fence on the back line of the Village Cemetery and if so to raise or appropriate money for the same.

ARTICLE 65

To see if the town will vote to raise \$500.00 to improve the upper end of Pleasant Street.

ARTICLE 66

To transact any other business that may legally come before said meeting.

The Selectmen hereby give notice that they will be in session for the purpose of revising and correcting the list of voters, at Oakes and Badger's Hall, at 9:30 o'clock in the forenoon, on the day of said meeting.

Given under our hands at Rangeley, this twenty-fifth day of February, A. D. 1935.

STANLEY PLUMMER,  
E. A. WENTWORTH,  
JOHN NILE,

*Selectmen of Rangeley.*

### SUPERINTENDENT OF SCHOOLS

ARTHUR IRISH

## SALARY SCHEDULE 1934-1935

Doris Kidder	\$ 750 00
Clifford McLaughlin	1,000 00
Helen Fenderson	825 00
Frances Marshall	825 00
Arlene Sprague	750 00
Virginia Brooks	825 00
Helen Weeks	825 00
Eleanor Brown	825 00
Georgia Wilbur	800 00
Ruth Hill	725 00
Elihu Tilton	2,115 00
Marion Irish	990 00
Beulah Tomlinson	900 00
Clarence Lamb	900 00
Edith Deane	990 00
Merl Brooks	24 00 week
School Bus Driver	2 50 per day
Bus Storage May to November 1, \$12 total	
Other times heated \$10 per month	
Tantrum Transportation (Winter)	2 50 per day

## HEATING

Boiler No. 2 in the Elementary School has a defective section. The Boiler Inspector reports that under a pressure of 12 pounds this section drips freely. This boiler is estimated to have been built in 1912 and has a capacity of 4000 feet direct radiation. The cost of a new boiler is under survey. The ventilating stacks in the Elementary School have never worked well. It is recommended that if and when the boiler is replaced that the ventilating system be made workable.

This year the School Board accepted the lowest bid for coal. The lowest bidder was a wholesale one and the Board saved about \$200 for the town on coal.

## FIRE INSURANCE

The State has inaugurated a policy of installing automatic sprinklers in State buildings and saving 75 per cent on insurance money. The Fire Underwriters have offered to survey and make blue prints for automatic sprinklers for local School Buildings without charge. Insurance men tell us that automatic sprinklers will pay for themselves

in four years in insurance savings. However this is a proper matter for the School Board and Town to decide. If anything is done about sprinklers I recommend that the insurance savings be applied toward the cost of installation so that new money will not have to be raised. Citizens interested can inspect the sprinklers in Farmington Normal.

## REPORT OF MAINE PUBLIC SCHOOL FINANCE COMMISSION

This is a very interesting and complete report and citizens who have not received the report can have their copy upon application to me. It is interesting to note that the Director of the Survey, Dr. Paul Mort of Columbia University, was a summer visitor in Rangeley last year.

### LIBRARY FOR HIGH SCHOOL

The library in a school is the workshop. More books are needed to enrich opportunity. We can not hope to have 15,000 books like one school in Maine but we can have an appropriate number.

The Rangeley Public Library has quite a number of books suitable for High School use. I have asked the teachers to make a list of those suitable for High School. If the library needs additional assistance in the way of cataloguing it should have it. We hope the Library will continue to set aside a small amount for reference books for High School use. Perhaps a small number of books not otherwise used could be loaned to the High School during term time.

## FEDERAL AID FOR THE SCHOOLS NURSERY SCHOOL

The Federal Government is furnishing the whole salaries for two teachers, part time cook, and a part time nurse. About \$60 per week is being brought into town by the government in support of this school. A lot of us are much pleased to see the government aid in the support of Human values as well as the support of roads and sewers. Federal Aid for education should become a permanent policy of our Government.

The nursery school is intended to benefit underprivileged children and their parents and furnish employment for others. Here children learn to give way to other children. The children have the benefit of nursing care as well as proper diet and rest. Distracted parents have some respite.

## PLAYGROUND

Federal money assisted in the leveling of the Elementary School playground. Drains have been dug around the outside. Since the soil on the playground is like clay a coating of gravel is needed to complete the job.

The small pasture directly back of the elementary playground would make a desirable addition to the playground and contribute to the Health and pleasure of our young people. Some tennis courts would provide much pleasure for young folks.

## PAINTING

This past fall the wooden windows and trim of the Elementary building have been painted. The High School windows and trim have also been done over. This was a very satisfactory job and furnished needed employment.

## PRESENT FEDERAL PROJECT

Just at present we have one carpenter assigned to the Schools for 10 weeks for minor repairs and improvements. Some needed bleachers are being built and combination physics chemistry tables are being made. These laboratory tables will provide the necessary space for a full sized class in science.

## CIVILIAN CONSERVATION CORPS

This is a Broad Educational Movement which is approved by the National Educational Association and merits the approval of our local people.

## TAXES AND THE SCHOOLS

During the past year with an average expenditure of \$45 per pupil, Maine ranks 37 among the 48 States in the matter of salaries paid teachers. Massachusetts spent \$84, New Jersey \$115, New York \$138, per pupil the past year. Maine has been 33 1-3 per cent lower than New Hampshire and even 20 per cent lower than Vermont.

Rangeley has been spending fairly well on its pupils. Evidently the parents of the 386 odd pupils in town are determined that their children shall have proper educational advantages. The past year the average expenditure per pupil has been \$44 per elementary pupil and \$91 per high school pupil. According to the Maine School Bulletin Range-

ley has the best ability to support schools of any town in the County with an assessed valuation of \$3,694 for each pupil in attendance.

About 62 per cent of Rangeley's school dollar goes for teachers, 5 per cent for transportation, 3 per cent for books, 3 per cent for supplies, 9 per cent for fuel, 5 per cent for janitor, etc.

I wish to thank the School Board, the Town Officials, the Citizens, Parents and Pupils who have all helped to make a going concern of the Schools.

Sincerely,

ARTHUR IRISH,

*Superintendent of Schools.*

# Report of Principal of High School

---

The registration in the high school for the Fall term was 117 and the average attendance 111. Thirteen of this number were tuition students.

The registration by classes was as follows:

Seniors	16
Juniors	29
Sophomores	33
Freshmen	34
Post Graduate	5

Two changes have been made in the curriculum. In the freshman year community civics is taken in place of ancient history and a course in advanced civics has been made an elective subject for juniors and seniors. These changes were advised by the State Department. There is a small Latin class but the study of social or natural sciences is considered by many to be of more benefit. There are but few colleges now that make Latin an entrance requirement.

There are two new teachers this year. Miss Beulah Tomlinson is teaching the commercial subjects and Clarence Lamb is teaching Latin, American History, and the advanced classes in English and Civics. All teachers are kept very busy and are trying to work for the best interests of the school.

Several improvements have been made about the school building, at a small expense to the town, through the various federal projects. At the present time tables are being made for the chemical laboratory. They are needed very much to provide working space for the number who elect the science courses. Book shelves should also be made for library material and money provided for more books. No funds have been available within the year for this purpose except a little from the school itself.

Plans are being made for sending representatives to two prize speaking contests: the Montgomery contest at Colby and the Spear contest, at some place in this district not yet announced. Many schools

are now spending time on one-act plays. Some members of the school are preparing to enter such a contest which is to be held at Farmington in April. We hope the parents will get as interested in these contests as in athletics.

The athletic program is about as last year with track, basketball, and baseball in their respective seasons. The proceeds from basketball help to pay for the other sports.

Some schools are interested in having tennis teams and have had courts built on their school grounds. It might be possible to have the yard back of the high school made into tennis courts and perhaps flood them in winter and use them for a skating rink.

The financial condition of the athletic association on February 1 is as follows:

Balance September 1, 1934	\$ 54 92	
Receipts from dues	50 00	
Admission to games	111 50	
Transportation	2 00	
	<hr/>	
Total		\$218 42

	EXPENDITURES	
Supplies	\$31 31	
County Association	8 00	
Use of School Bus	61 05	
Referee	12 00	
Telephone	1 00	
	<hr/>	
Total		\$123 36
		<hr/>
Balance		\$95 06

Respectfully submitted,

E. B. TILTON, *Principal.*

# Report of Home Economics Department

---

*To the Superintendent of Schools:*

This year I am going to devote the greater part of my report to the work which the Home Economics Club has been doing. I feel that the work of this club deserves mention because it has made several valuable additions to the Home Economics Laboratory and consequently to Home Economics courses as a whole.

The club is made up of any interested girl who is a high school student in Home Economics. The meetings are held once every two weeks and the girls make inexpensive articles in handicraft. The club sponsors any outside entertainment or sale and in this way earns money for the department. Funds have been raised by fairs and bazaars, by selling tickets on crib spreads, selling hot dogs at basketball games and candy at plays and also by giving the May Ball.

Articles which have been added to the Home Economics Laboratory during the last two years are: new curtains for the windows and doors, ten dish cloths, nine dish towels, two wet mops and mop handles, one push broom, a canner and two racks, jelly jars, a pinker for seams, eighteen bobbins, and a new cabinet which has nineteen drawers, a cupboard for books, and a closet for clothes. The club has also paid for some of the materials used by the foods classes.

The aim of the club now is to earn enough money to buy eighteen new chairs for the laboratory and to start a fund for a new sewing machine. I feel that the work has been successful but I realize that it could have been so only through the help of the townspeople.

Last year, some very successful project work was accomplished by the students. A few projects were carried during the school year but the majority during Easter vacation and the month of June. These included work in Child Care, Handicraft, Foods, Clothing and House Planning.

This year all of the classes are as large if not larger with the exception of the Freshman and Sophomore class. The courses which are offered and the registration are as follows:

7th Grade — Number 18

Clothing ( $\frac{1}{2}$  yr.)

Foods ( $\frac{1}{2}$  yr.)

8th Grade — Number 13

Foods ( $\frac{1}{2}$  yr.)

Child Care ( $\frac{1}{4}$  yr.)

Clothing ( $\frac{1}{4}$  yr.)

Freshman-Sophomore — Number 12

Advanced Foods (1-3 yr.)

Hygiene and Sanitation (1-3 yr.)

Care of the House (1-3 yr.)

Juniors-Seniors — Number 8

Advanced Clothing (1-3 yr.)

Home Nursing (1-3 yr.)

Adv. Child Care, Business of the Home (1-3 yr.)

I wish to thank the townspeople for all the help and coöperation which they have given me.

Respectfully submitted,

EDITH L. DEANE.

# Report of Supervisor of Music and Art

---

*To the Superintendent of Schools:*

The aim of modern education is to produce young men and women "who will be fitted to meet the demands of the world of today and tomorrow" by providing boys and girls with a well balanced training along *physical* and *spiritual*, as well as mental lines. This may certainly be attained through appreciation and understanding of real music and art.

The Lowell State Teachers' College Course of Study was followed in the Music Department, using the most beneficial and widely known Music Hour as text-books. In the primary grades rote songs are taught developing a sense of tune, tone and rhythm. During the last half of the second grade note reading is introduced and gradually up through the grades musical terms are introduced until the children can read music. In grade four rounds are introduced followed in the higher grades with part singing.

In Music Appreciation the children learn to listen, appreciate and recognize the best compositions and their composers. In Junior High they study the lives of the men who composed the greatest music together with the study of Folk Songs.

Violin Classes interested many of the children and should give them a great deal of pleasure besides a good start toward a school orchestra where they are sure to develop responsibility, good citizenship, culture and self-satisfaction.

The High School had community singing every morning. In their outside time they are showing real zest and ability in preparing a Minstrel Show to be given the last of March.

All the grades are working for the Musical Festival in the Spring where every grade will be represented.

The Hill Billy Band, made up of high school boys, has practiced faithfully and shows much improvement and the same can be said of the girls' glee club.

Art aims to foster and develop the child's natural impulse to express feeling. Then too, it helps to create a greater appreciation for the beautiful things that exist all around us.

In the primary grades the children learn to use colors, express their own ideas freely, and to follow the simple rules of balance, repetition and proportion. These same points are emphasized more completely in the elementary grades. The perfect use of the ruler is also brought about in these grades through charts and printing.

The Junior High made a special study of designs which bring in the fine points of art, using their water colors to the best advantage. Doing originals from models, using as a background their knowledge of the fundamental principles of drawing, gave them a good chance to show their artistic tendencies.

Art Appreciation was part of every grade's work and was correlated with Music Appreciation.

In Oquossoc and Greenvale the same work was carried on as in Rangeley.

Respectfully submitted,

CLARA ASPDEN.

# Report of Union Health Officer

---

*To the Selectmen of Rangeley,*

DEAR SIRS:

During 1934 there were reported 37 cases of whooping cough, 13 of chickenpox, 2 of pneumonia, 1 of measles and 1 of influenza.

One hundred and five visits were made on account of whooping cough and thirteen on account of chickenpox.

Sixty-three were vaccinated against smallpox and thirty-two including four preschool children were given toxoid to immunize against diphtheria. One child and one adult were given the tuberculin test and one individual attended the tuberculosis clinic held monthly at Farmington. 141 school inspections were made.

All food handling establishments, hotels and camps were visited two or more times.

Twenty-two conferences were held with town and school officials and fifty-four with physicians.

Similar activities for the prevention and control of communicable disease have been carried on in adjoining towns which also provides protection to Rangeley.

This work in Rangeley has been made possible by cooperation of the State Bureau of Health with the towns of this area and with temporary help from the Commonwealth Fund. The town has had the benefits of this service since 1931 and last year contributed to its support. The continuation of this service requires that the town this year make an appropriation to the Union Budget. Through such

expenditures, with local cooperation, savings may be expected through control of diphtheria, smallpox, and other preventable diseases and better health conditions for children made possible.

Yours for service,

B. L. ARMS, M. D.,

*Director Cooperative Health Union.*

## Report of County Nurse

---

*To the Citizens of the town of Rangeley:*

I hereby submit my seventh report for the fiscal year February 1, 1934 to February 1, 1935.

In May 58 students in the 3rd and 4th grades, and others found with defective hearing in the village school, had their hearing tested with the audiometer, also all the students in Oquossoc.

Nearly all the students had their throats examined by physicians, which is of great assistance to the students as many more can receive their 7 Point Pins and parents can be advised of needed corrections.

The students were re-weighed in the spring and nearly all 10% or more underweight were found to have gained many pounds.

Several pieces of Health Literature was given to the nursery school and several times the children were examined by the nurse for signs of contagious diseases and skin infections.

The nurse assisted with 25 vaccinations and 57 Toxoid inoculations of school children.

In August 20 home calls were made to see parents of children who were to enter school in the fall. It is important that each child sees dentist and doctor before entering school, so that, as far as possible the child begins the school life in good health with defects corrected.

The dental work has been continued by the Red Cross for children unable to pay for this work, it will mean much in future years, for good teeth assist much in the good health of our future citizens.

In the fall the Regular Routine Health Examination was given each student and during the year 243 students received their 7 Point Pins and Certificates, nearly 2-3 of the students enrolled.

Only four children were examined by the physicians as possible malnutritional cases. Miss Sedgeley assisted the doctor. These examinations were under the direction of the Civil Works Service.

Respectfully submitted,

ADA H. STAFFORD, R. N.,

*No. Franklin County Nursing Service,  
Affiliated with the Maine Public Health Assn.*

# RANGELEY FIRE DEPARTMENT

*To the Businessmen and Citizens of Rangeley,* GREETINGS:

The Rangeley Fire Department wishes to extend their appreciation and thanks to one and all for material and labor so generously given to help bring the Fire Dept. up to its present standard. Furthermore, you may corroborate with the department in pulling up to the curb at the sound of the siren also by not parking in front of hydrants.

## SIREN BLASTS

- 1 Blast sounded at 1 P. M. — Test.
- 2 Blasts sounded at 7 A. M. — No school.
- 3 Blasts sounded — Fire local.
- 4 Blasts sounded — Fire outside of village.
- Siren out of order ring Church bell — Key outside of Church in box with glass cover.
